

# How To Style 101

By Zaria Dancer

# An outfit must be interesting through

- Color
- Shape
- Texture

# Key Features for Success

Find Your Personal Style & Pick Colors that work best for you -  
(Consider Professional Color Wheel Readings & Consultations)

Build a Foundation Wardrobe & Buy Basics - jeans (Blue & Black),  
white oxford button-down shirt, a black blazer, loafers, white &  
black tees, and or a well-fitting/comfortable dress

Play with proportions & Pick flattering shapes that work for your  
body - Tailor if Necessary

# Things to Consider

## Inspiration

Use Magazines and other forms of Media if necessary - Pinterest is a great option

## Colors

Neutrals are your friend - maybe even Bestfriend. When in doubt, stick to the Basics.

## Patterns

Start Simple: 1 Solid/1 Pattern or 2 Similar Patterns - Color Coordination is **Key** Here

## Occasion

Where Are You Going? Is it Upscale or Casual?

## Style

Classic or Trendy? Chic or Boho? Versatility is always possible with Cohesion

## Accessories

Elevate your Outfit with **Jewelry**, Scarves, Belts, Hats, and or Bags - Don't Over Do It

Pairing large-scale patterns with a smaller one creates a more balanced look.

If you're uncomfortable, begin with 1-2 patterns. As you learn more about your style and coordination - continue to explore.

Wear What Make You Look and Feel Good. Your Confidence, Comfort, and Happiness is most importance.

Wear the outfit, don't let it wear you!

Work with tones and colors that suit you and ensure a cohesive look.

When picking patterns, consider options in the same color palette or choose complementary colors.

Pick a focal point for your outfit & build around it to highlight and complement it.

# Introduction to Personal Styling

## How to Style 101

- Personal styling is about showcasing your personality through clothing and accessories.
- Knowing how to style yourself can boost confidence and make everyday dressing enjoyable.
- This presentation will cover basic principles to help you discover and refine your personal style.

# The Essentials

## Key Elements:

**Know Your Body Shape:** Understand your body type to highlight your best features and choose flattering silhouettes.

**Create Color Stories:** Learn how to mix and match colors that complement your skin tone and enhance your overall look.

**Balance Outfits:** Master the art of balancing proportions and textures to create visually appealing outfits.

**Accessorize with Purpose:** Incorporate accessories like scarves, jewelry, and bags to add personality and polish.

**Embrace Versatility:** Invest in versatile pieces that can be styled in multiple ways to maximize your wardrobe

# Pathway to Success

## Actionable Advice:

**Audit Your Closet:** Assess your current wardrobe and identify pieces you love and those that no longer serve your style.

**Define Your Style:** Pinpoint key style inspirations (e.g., classic, bohemian, minimalist) to guide your fashion choices.

**Experiment and Have Fun:** Try new combinations and styles to discover what resonates with you.

**Seek Inspiration:** Follow fashion influencers, browse magazines, and use social media for style inspiration.

**Be Confident:** Remember, style is a form of self-expression—embrace what makes you feel your best!
